BY THE COMMISSION:

On July 24, 2006, Qwest Corporation (Qwest) Denver, Colorado, filed an application seeking approval of its Omaha Forbearance Order amendment to an interconnection agreement with New Rochelle Telephone Corporation (New Rochelle), of White Plains, New York. The interconnection agreement between Qwest and New Rochelle was previously approved in Docket No. C-3729. Notice of the application was originally published in The Daily Record on August 1, 2006, however, due to a clerical error the original notice listed an incorrect docket number of interconnection agreement approved by the Commission. It was discovered that the original interconnection agreement between Qwest and New Rochelle had not yet been approved by the Commission.

Corrected notice of the application was published in The Daily Record, Omaha, Nebraska, on January 3, 2007. No protests were filed; therefore, this application is processed pursuant to the Commission's Rule of Modified Procedure.

On January 9, 2007, in Application No. C-3729, an interconnection agreement between Qwest and New Rochelle was approved by this Commission. In the current application, Qwest seeks to amend the agreement by adding an Omaha Forbearance Order amendment to the interconnection agreement. An executed copy of the amendment is contained within the application.

The amendment does not discriminate against any telecommunications carrier. Furthermore, the

Section 252(e) of the Act requires this Commission to review negotiated interconnection agreements to ensure they comply with Sections 251 and 252(d) of the Act, as well as all applicable state laws. Using those standards, the amendment filed July 24, 2006, should be approved.

O R D E R

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that the amendment to the interconnection agreement between Qwest Corporation and New Rochelle Telephone Company, be, and it is hereby, approved.

IT IS FURTHER ORDERED that the executed amendment filed herein be, and it is hereby, made the official copy on file with the Nebraska Public Service Commission.

MADE AND ENTERED at Lincoln, Nebraska, this 13th day of February, 2007.
